Category	Description	Purpose	Amount	Due Date
Hurricane Harvey Community Support	Donations requested and there is a loan option.	GHT still knows people impacted by Hurricane Harvey. The funds will be used as a grant for a home rebuilding project. One lump sum would be ideal as a donation, but contact GHT if you would like to loan the funds instead with the first payment being due February 2020 at 0% interest over a 30 year term.	\$50,000	7/1/2018  Note: Funds are due by yesterday for this project as that is the expediency of this project.
Thanks Giving Community Support	GHT Supports UHCAA Thanks Giving Program	GHT has participated in and provided financial support to the University of Houston's Cougar Athletic Alliance annual Thanks Giving program to support families in need during the Thanks Giving season for more than 5 years. Now, instead of my limited resources, I am asking you all to financially support this worthy cause.	\$1,000	October 15,2018
Holistic Health	24 Hour Fitness Gym Membership	GHT has provided 1 year gym memberships to those needing assistance in the past and would like to restart this program. Ten were provided to the community in the past. The goal is to provide assistance as many know they need to workout, but either can not afford it or the non-24 hour gyms are not open when they get off work.	\$6,000  Note: 10 memberships at approximately \$50 per month times 12 months is \$600 times 10 people equals \$6,000.	December 31, 2018  Note: Ongoing donation request, but GHT would like to provide the first donations by February 2019. GHT has recipient selection discretion.

Wellness	GHT supports Walk-a-thons	GHT supports other organizations via participating in walk-a-thons. The two primary walks that we participate in are the March of Dimes and the Sisters Breast Cancer Walks in Houston, Texas.	<p>\$200</p> <p>Note: Please indicate which organization that you are donating to...GHT's preference is that you donate directly to those organizations and you just come walk with us as we walk with the University of Houston's provost babies team and a good friend's team for the Sister's walk. And of course, you can always donate through GHT so we can make sure that you get your UH t-shirt and the Sister's t-shirt you pick-up at the event.</p>	Ongoing

<p>Black History and Religious Studies Project</p>	<p>GHT E-Learner Workers</p>	<p>GHT would like for you to donate in order to have funds available to pay independent contractors specifically high school to college students and possibly some retired senior citizens in order to promote the importance of black history and religious studies while providing financial support to those groups that could use that financial support.</p>	<p>\$1,000,000</p> <p>Note: Ideally, there will be 2 groups. One group responsible for developing the questions and the second group responsible for quality control. Initially, I will still be the gatekeeper, but ultimately, the goal would be to get to the point where the project is developed around a system and can function without me.</p>	<p>December 31, 2018</p> <p>Note: Ongoing donation request, but GHT would like to provide the first donations by February 2019.
